MACHU PICCHU

1. Although there has been an increase in capacity at the archaeological site in high season (from 4,500 to 5,600), the availability of tickets is limited, and they tend to sell out quickly. Between April and November, it is preferable to buy admission tickets as far in advance as possible, which once purchased are non-refundable.
2. The archaeological site is open from 6am to 5pm.
3. In 2021, with the objective of conserving this wonder of humanity, 5 tourist circuits to visit Machu Picchu were established. Through a Ministerial Resolution, the Ministry of Culture of Peru has modified these circuits. In that sense, from June 1st, 2024, there are 3 new circuits that group 10 routes.

Circuit 1 or Panoramic Circuit

The visit includes the upper part of the citadel but does NOT include a visit to its interior. You can include Machu Picchu Mountain or one of the high season variants: Inti Punku or Inca Bridge

It includes the agricultural sector I C – Kallancas that covers: Upper and lower platform next to the Guardian's house, platform sector prior to the Puente Inca sector, platforms below the Guardian's house and the Road to Machu Picchu Mountain. The visit and/or access to these sectors depends on one of the following routes chosen by the visitor:

The visit and/or access to these sectors depends on one of the following routes chosen by the visitor:

- * [Route 2-A](#): Classic Circuit, route to higher terrace (time: +/- 2h30m)
- * [Route 2-B](#): Classic Circuit, route to lower terrace (time: +/- 2h30m)
- *Between both circuits there is only a small difference at the entrance, but practically, in both the same places are visited.*
- *Unfortunately, the visit no longer includes the area known as Intihuatana or Sun Clock, which was one of the most iconic parts of the citadel.*

Circuit 3 or Royal Circuit

The visit includes the lower part of the citadel. You can include the Huayna Picchu Mountain or one of the high season variants: Huchuy Picchu Mountain or Great Cavern

2. Tickets are purchased with passport data and changes are not allowed. Once purchased, they are non-refundable. At most, tickets can be purchased with an expired passport, but the passenger is obliged to physically carry it with them and show it upon entering the site.
