MACHU PICCHU

- Although there has been an increase in capacity at the archaeological site in high season (from 4,500 to 5,600), the availability of tickets is limited, and they tend to sell out quickly. Between April and November, it is preferable to buy admission tickets as far in advance as possible, which once purchased are non-refundable.
- The archaeological site is open from 6am to 5pm.
- In 2021, with the objective of conserving this wonder of humanity, 5 tourist circuits to visit Machu Picchu were established. Through a Ministerial Resolution, the Ministry of Culture of Peru has modified these circuits. In that sense, from June 1st, 2024, there are 3 new circuits that group 10 routes.

It includes the agricultural sector I C – Kallancas that covers: Upper and lower platform next to the Guardian's house, platform sector prior to the Puente Inca sector, platforms below the Guardian's house and the Road to Machu Picchu Mountain. 2. Tickets are purchased with passport data and changes are not allowed. Once purchased, they are non-refundable. At most, tickets can be purchased with an expired passport, but the passenger is obliged to physically carry it with them and show it upon entering the site.
