ZAFIRO CRUISE ON THE AMAZON RIVER

B Breakfast **BL** Box lunch **L** Lunch **D** Dinner

4D/3N (every Wednesday)

1st day | Wednesday | **L **D****

High water season (Dec/May)

Pick up at the airport and transfer by private vehicle to Nauta port, for boarding. Our staff will show you to your suite, which will be equipped with comfortable beds, 100% Peruvian Pima cotton sheets, cotton bathrobes, air conditioning and a private bathroom with a shower and amenities.

Before setting sail, our bartender will serve you a cocktail prepared with local fruit and pisco, the most popular liquor in Peru. You can sip it while enjoying 360° views from the observation deck or a panoramic view from the indoor or outdoor lounge. After setting sail, our naturalist guides will offer an overview of the travel itinerary, including activities, routes, information about wildlife and vegetation, geographical and historical context, as well as other useful info. If you have any doubts or concerns, our guides are always available to answer your questions. We will then enjoy the welcome lunch. Start your journey by dining Peruvian cuisine with an Amazon flare. There are many options on our menu, including vegetarian alternatives. Please let us know in advance if you have any special dietary needs.

After lunch, we will be ready to start a new outing on the skiff to explore the area of Pahuashiro and its wildlife. We will then head back to the boat for some free time until dinner.

Low water season (Jun/Nov)

Pick up at the airport and transfer by private vehicle to Nauta port, for boarding. Our staff will accompany you to your suite specially equipped with comfortable beds, pure Peruvian pima cotton sheets, cotton bathrobes, air conditioning, private bathroom with shower and amenities. Before sailing, our bartender will serve you a cocktail prepared with fruits from the region and pisco, the most popular national liquor in Peru. Do not miss the opportunity to savor it while enjoying a full view of the river from the observation deck, or a panoramic view in the indoor or outdoor lounge. Once we start sailing and before the welcome lunch, the naturalist guides will present an overview of the trip program, such as activities, routes, information on wildlife and vegetation, the geographical and historical background, as well as other useful details. If you have any doubts or questions, our guides are always very happy to assist you. Welcome lunch. Begin your trip with a special Peruvian dinner with an Amazonian influence. It is a varied menu that includes a vegetarian option. Please let us know of any special dietary requirements in advance. After lunch you will have time to rest before the next outing on skiffs to explore the Yacapana area and its wildlife. Before returning to Zafiro cruise, you will enjoy a night excursion in search of alligators, tarantulas, frogs and other species that appear when the sun goes down. Return to the ship and have dinner on board.

2nd day | Thursday | **B **L** **D****

High water season (Dec/May)

Before breakfast, we will head out on a skiff to the Yanallpa area of the Ucayali River in the Pacaya Samiria National Reserve, where we will see many native animal species.

After breakfast, we will head out on a skiff to the Tapiche River in search of wildlife.

Legendary PERU

Before midday, we will head back to the boat for a cooking demonstration by the executive chef. After lunch, whoever is interested may attend a talk about the Pacaya Samiria National Reserve, and in the afternoon, we will take a skiff to the Dorado River, where we will fish using local techniques.

Before heading back on board, we will enjoy a nighttime outing in search of caimans, tarantulas and other species that make an appearance after the sun goes down.

Dinner will then be served aboard the Zafiro.

Low water season (Jun/Nov)

At dawn, before breakfast, we will go out by boat to explore the Amazon River, where we will observe the daily activities that each community carries out on the banks of the river.

Back on the ship you can enjoy our buffet breakfast, which offers a daily selection of traditional dishes, Peruvian specialties, freshly baked homemade products and a variety of freshly prepared juices. After breakfast we will start a boat excursion to explore the Yarapa black water river in search of wildlife.

Return to the cruise and enjoy lunch on board.

Before the activity in the afternoon, the guides will give a talk about the local culture. In the afternoon, we will visit the community of Paranapura, where we will appreciate how they live and learn about their customs, always accompanied by our guides, who will act as interpreters for us. Towards sunset, we will go in search of animals that can only be seen when the sun goes down: alligators, bats, frogs, tarantulas and other species that populate our biodiverse jungle.

Before dinner, you can enjoy live music by the band on board, which will play a varied repertoire of Amazonian, national and international music.

3rd day | Friday | B L D

High water season (Dec/May)

After breakfast, we will set out to explore the Yarapa River, where the famous pink and gray river dolphins swim in its black waters.

Back on the Zafiro, we will see the confluence of the Ucayali and Marañón rivers, which give birth to the Amazon River.

After enjoying lunch and resting, we will set out on skiffs on a nice sail on the Amazon River. We will explore and observe the daily activities that local communities do on the river banks.

Before heading back to the boat, enjoy a colorful Amazon sunset.

Back on-board Zafiro, you will have some time to relax and enjoy live music before the presentation by the crew and farewell dinner.

Low water season (Jun/Nov)

Before breakfast, we will start an excursion by boat, but this time on the Yarapa River, in search of imposing new landscapes and more emblematic species of the Amazon.

Return to Zafiro for breakfast. After breakfast, we will start a walk in Yucuruchi, the area of the Ucayali River, located in the Pacaya Samiria National Reserve, where numerous species of native animals will be sighted.

Return to the ship. At noon we will offer lunch and then you will have time to rest before the afternoon outing, a boat trip on the Amazon River, in search of the curious pink dolphins and other species.

Before returning to the ship, appreciate the breathtaking colors of the Amazonian sunset.

Back on the ship, we will have time to rest and relax with live music while we make time before the crew presentation and farewell dinner.

Legendary PERU

4th day | Saturday | **B**

High water season (Dec/May) or Low water season (Jun/Nov)

After breakfast, we will proceed to disembark. On your way to the airport, visit Amazon Forever Bio Park, also known as Manatees Rescue Center where biologists and volunteers care for manatees, an endangered species. Learn how manatees are treated and prepared for their return to their natural habitat. Likewise, other animals are also rescued, treated and reinserted in their natural habitat. Jungle Experiences actively collaborates with this dedicated organization and think tank. We invite you to do so as well and help this meaningful cause. Transfer to the airport.

** Note: All itineraries are subject to change, due to weather and other conditions.*

5D/4N * (every Saturday)

1st day | Saturday | **L D**

High water season (Dec/May)

You will be picked up at the airport and brought to the DoubleTree by Hilton Hotels Iquitos where you will enjoy a delicious lunch before being transferred by private vehicle to the main dock of the city of Iquitos to board the cruise ship.

Our staff will show you to your suite, which will be equipped with comfortable beds, 100% Peruvian Pima cotton sheets, cotton bathrobes, air conditioning and a private bathroom with a shower and amenities.

Before setting sail, our bartender will serve you a cocktail prepared with local fruit and pisco, the most popular liquor in Peru. You can sip it while enjoying 360° views from the observation deck or a panoramic view from the indoor or outdoor lounge.

After setting sail, our naturalist guides will offer an overview of the travel itinerary, including activities, routes, information about wildlife and vegetation, geographical and historical context, as well as other useful info. Welcome lunch. Begin your trip with a special Peruvian dinner with an Amazonian influence. It is a varied menu that includes a vegetarian option. Please let us know of any special dietary requirements in advance.

Legendary PERU

After lunch you will have time to rest before the next outing on skiffs to Nauta Caño, where we will observe "the jungle of mirrors", an ideal location to spot toucans, parrots, macaws, iguanas, sloths and monkeys high up in the trees.

Before returning to Zafiro cruise, you will enjoy a night excursion in search of alligators, tarantulas, frogs and other species that appear when the sun goes down.

Return to the ship and have dinner on board.

2nd day | Sunday | **B L D**

High water season (Dec/May)

Before breakfast, we will go out for a boating expedition on the Amazon River to explore the local flora and fauna.

When you get back, enjoy our breakfast buffet, which offers a daily selection of traditional dishes, Peruvian specialties, freshly baked goods and a range of freshly squeezed juices.

After breakfast, we will head out to see the confluence of the Ucayali and Marañón rivers, which give rise to the Amazon River. Here we will observe pink and gray river dolphins.

We will go back to the boat for lunch by midday and then have time to rest. Make sure you attend the talk about the source of the Amazon and the hydrography of the river so that you will be up to speed for our walk to Puerto Prado, where we will see the Victoria Amazonica, the largest water lily in the world.

We will then head back to the boat for dinner and live music.

After dinner, we will enjoy a nighttime outing in search of caimans, tarantulas, frogs and other nocturnal species.

Low water season (Jun/Nov)

Early in the morning, we will invite guests to the third deck of the ship to observe the transit of migratory birds.

Afterwards, we will start our excursion by boat to the Yanayacu de Pucate area, where we will appreciate one of the best preserved and protected areas of the Pacaya Samiria reserve. Moreover, we will enjoy a special breakfast in the middle of nature.

Before returning to the ship, those who wish can take a kayaking ride. Others might choose to swim in the refreshing black waters of the river.

Back on the boat, our bartender awaits you with a Peruvian cocktail demonstration, after that enjoy lunch. Following some time to rest, the guides will give us a talk on Amazonian philosophy.

In the afternoon, we will visit the native community of San Regis, where we will learn about their way of life and traditions. We will also learn about ancestral traditions from the local shaman. Our guides will act as interpreters during this experience, in which you will have the opportunity to ask questions about spiritual connections and the shaman's abilities to heal the soul.

After living this experience, we will continue with the ceremony of planting a tree as a positive contribution to the environment.

Moreover, there will be opportunity to appreciate how the women of the community exhibit in a small craft market, pieces and objects made with their own hands.

Back on the ship you will have time to rest and relax with live music while we make time before dinner.

3rd day | Monday | **B L D**

High water season (Dec/May)

Breakfast and outing on skiff to different lakes and lagoons, until we reach the Japanese Lagoon. There, we will enjoy a picnic and one of the best conserved and protected areas of the Pacaya Samiria National Reserve. It's also a popular spot to view pink river dolphins from the skiff.

Legendary PERU

Before heading back to Zafiro, we will take a trip to Yanaquillo. Once we're back on the cruise ship, we will get ready to go kayaking and take a dip in the black waters.

Head back for lunch aboard the Zafiro. Before starting the afternoon activity, our guides will give a talk about Amazon philosophy.

Afterward, we will take a walk through the rainforest over hanging bridges, where you can admire the riches of the rainforest from the treetops.

Once we're back on the Zafiro, our bartender will give a demonstration of how to make Peruvian cocktails, and we will then enjoy live music while we await the gala dinner with the captain.

Low water season (Jun/Nov)

After breakfast we will start a walk through the jungle, followed by a canopy walk, which will allow us to admire the richness of the jungle from the top of the trees.

At noon, we will return to the ship for lunch on board, after which we will have time to rest. It is important that you are present at the talk about the animals in the area that are in danger of extinction.

In the afternoon, we will begin our exploration by boat on the Nahuapa River. There you will experience fishing for the famous piranhas, using local equipment and techniques.

Before returning to Zafiro cruise, we will make a night excursion in search of alligators, tarantulas, frogs and other nocturnal species. Return to Zafiro, live music and dinner.

4th day | Tuesday | B L D

High water season (Dec/May)

Breakfast and visit to the community of San Regis, where we will learn about the local people's way of life and traditions.

We will also learn about their ancestral traditions from the community's shaman. With our guides as interpreters, we will be able to ask questions about spiritual connections and curing the soul. We will then continue the ceremony by planting a tree as a positive contribution to the environment. There, we will also see a market set up by women from the community to sell their handmade crafts. Head back for lunch aboard the Zafiro. After resting, the guides will tell us about the myths and legends of the Amazon.

In the afternoon, we will head out on a skiff to the Shiryacu stream. There, we will find a good spot to do some piranha fishing using local techniques and equipment.

Back on the boat, we will enjoy the stunning colors of the sunset. Return to Zafiro, live music and dinner.

Low water season (Jun/Nov)

After breakfast, we will start a walk in Casual, in search of wildlife, such as poisonous frogs and other exotic species. In this area we will see the well-known giant trees called Avatar and the "Victoria Amazonica", also known as Victoria Regia or water lilies, the largest aquatic plant on the planet. There you also can purchase local handicrafts made by local women artisans.

Before noon you will return to the ship where there will be a cooking demonstration by the executive chef.

After lunch, do not miss the talk about the origin of the Amazon, and then start an excursion to the confluence of the Ucayali and Marañón rivers, the place where these two rivers join, also known as the origin of the Amazon River. This area is very popular for watching the curious pink river dolphins.

Return to the ship and have some free time until dinner.

5th day | Wednesday | B

High water season (Dec/May) or Low water season (Jun/Nov)

Before breakfast we will visit Nauta, the second most important city in the region. Upon arrival, we will take a motocar tour to the local market where we will learn first-hand what the commercial life of the city is like.

Return to Zafiro for breakfast.

Legendary PERU

After breakfast, we will proceed to disembark. On your way to the airport, visit Amazon Forever Bio Park, also known as Manatees Rescue Center where biologists and volunteers care for manatees, an endangered species.
